PROFESSIONAL SUMMARY

Technical Product Manager | Senior Business Analyst | PMI-PBA® Certified

Technical Product Manager with experience in digital banking, corporate lending, product lifecycle management, and IT-business alignment. Leads technical product development initiatives in compliance with business goals and customer needs, collaborating with IT and business teams to design scalable banking solutions. PMI-PBA® Certified with experience in requirements gathering, stakeholder engagement, technical documentation, and technology-driven projects that enhance efficiency and compliance.

PROFESSIONAL EXPERIENCE

Technical Product Manager

February 2026 - Present

Alrajhi Bank | Saudi Arabia

- Lead technical product development initiatives in compliance with business goals and customer needs.
- Oversee product lifecycle management from concept to deployment, ensuring timely delivery.
- Collaborate with IT and business teams to design scalable solutions that enhance banking services.
- Monitor performance metrics and implement improvements to optimize product functionality.

Business Analyst

July 2025 - January 2026

Alrajhi Bank | Saudi Arabia

- Collected and recorded requirements from credit, risk, and operations stakeholders.
- Coordinated with IT teams to convert business needs into functional specifications.
- Facilitated system implementation and ensured seamless integration of new features.
- Evaluated corporate lending processes to detect inefficiencies and propose targeted improvements.

Business Analyst

June 2022 - June 2025

SAB Bank | Saudi Arabia

- Directed digital banking projects from requirements gathering through post-launch evaluation.
- Delivered BRDs, FSDs, and process models to support Agile project execution.
- Translated complex business needs into clear technical requirements for IT teams.
- Coordinated cross-functional teams to deliver solutions aligned with strategic priorities.
- Maintained continuous communication with stakeholders to align expectations.
- Facilitated workshops and presentations to secure stakeholder buy-in and feedback.
- Conducted training sessions on Agile practices and business documentation standards.
- Mentored junior analysts, improving documentation and technical skills across the team.
- Delegated tasks effectively to maximize team strengths and project outcomes.
- Identified opportunities for certification and performance improvement.

Project Manager Assistant

March 2022 – May 2022

SAB Bank | Saudi Arabia

- Assisted in project planning and scheduling to align milestones and deliverables.
- Tracked progress, prepared reports, and escalated risks to project leadership.
- Facilitated communication between teams and stakeholders to maintain clarity.
- Coordinated resource allocation and monitored adherence to project budgets.

Testing Engineer

December 2021 – February 2022

SAB Bank | Saudi Arabia

- Prepared BRDs, FSDs, and test plans to guide development and testing activities.
- Performed manual test cases across web and mobile platforms to detect defects and maintain quality.
- Recorded and monitored issues in JIRA, coordinating with developers for prompt resolution.
- Executed regression and smoke testing prior to major releases to safeguard system stability.
- Integrated inputs from business, IT, and QA teams into unified documentation for project consistency.

Social Media Officer

April 2021 – December 2021

Albilad Bank | Saudi Arabia

- Designed and implemented social media strategies to boost brand visibility and engagement.
- Produced tailored content for multiple platforms, aligning with audience behavior and marketing goals.
- Analyzed performance metrics to refine campaigns and improve overall effectiveness.
- Coordinated content calendars and collaborated with creative teams for consistent brand messaging.
